## PPA's Mission

Creating a vibrant community of successful professional photographers by providing education, resources and industry standards of excellence.

## PLEASE HELP US KEEP THIS DIRECTORY UP TO DATE!

## **COMMITTEE RESPONSIBILITIES**

(Committee appointments are done on a yearly basis.)

### **Awards Committee**

Review and consider nominations for all awards, including the following: the Honorary Master of Photography Degree, Helen K. Yancy Award, and Honorary Member Awards.

Recommendations are referred to the Board of Directors and Council for final approval.

### **Bylaws, Rules & Ethics Committee**

Prepare wording for changes in the bylaws and rules as directed. Interpret existing bylaws when necessary. Review bylaws and rules for necessary changes to recommend to Board and Council. Conduct preliminary investigations and due process hearings as necessary for referred matters regarding ethics.

### **Certification Commission**

Certify professional-quality photographers to the general public by providing credentialing services (which meet the national standards for credentialing organizations) to professional photographic associations, their members, and individual professional photographers, including photographers who are not members of an Alliance of Visual Artists (AVA) related association.

### **Convention Committee**

Solicit and organize volunteer convention assistants. Maintain a props/equipment area and control distribution. Ensure that any speaker/program-confirmed equipment, props, and models are available, in place, and functioning correctly—according to schedule. Provide on-site liaison between the Events Department and speakers.

### **Finance Committee**

Work with committee structure to prepare an annual budget, monitor and control finances, recommend names of auditors to the Board of Directors, and report to Board and Council on financial position.

### **Industry Advisory Committee**

Provide the Board of Directors with industry perspective on PPA programs and events.

### **International Committee**

Enhance the prestige of PPA throughout the world. Review the needs of international members to promote cooperation between PPA domestic and international members and the corporate world. Review applications for international affiliation, and advise the MAC Committee and the Board of Directors.

### **Investment Committee**

Oversee the investments of the corporation, and make recommendations so that the investments fall under the criteria as prescribed by the Board of Directors.

**Nominating Committee**

Select nominees who have the experience and the qualities that meet the needs of the organization. Interview prospective nominees personally by telephone, and secure their consent to serve if elected. Prepare a report containing the names of the nominees, their experience and qualifications, and the reasons that the committee feels the candidates named can meet these needs. Submit the report for publication to Council, and present it verbally at its annual meeting.

**OurPPA.com Committee**

Police the activities of the subscribers. Make sure the rules of the OurPPA Forum are followed. Review and update the rules that govern the site.

**PPA Charities**

Promote and enhance the charitable giving of PPA's membership.

**Photographic Exhibitions Committee (PEC)**

Annually review judging rules and recommend changes to the Board of Directors. Review fees annually and recommend changes to the Board. Annually conduct the judging for those categories assigned to PEC by the Board of Directors. Display and promote images that are considered suitable for such purposes.

**Speaker Advisory Committee**

Review, suggest, and provide oversight for speakers with staff for Imaging USA and other conferences (as getting speakers can be a dynamic process). Speakers will be suggested as far out as possible to give staff enough time to contact prospective speakers. The committee will also provide oversight for "short-notice" speakers, such as those by sponsors who are reluctant to commit to a speaker until shortly before an event.
