

2011 NORTHEAST DISTRICT PHOTOGRAPHIC COMPETITION RULES

This District competition is a precursor to PPA's International Photographic Competition, a world-renowned photographic competition where entries are evaluated against a standard of excellence using the 12 Elements of a Merit Image. **(For more information, go to www.ppa.com/competitions/international.php.)**

PPA members are eligible to earn PPA's Seal of Approval. When an image bearing a Seal of Approval is submitted to this year's PPA International Photographic Competition, an exhibition merit is earned, which can place the entrant closer to an award or a degree like the Master of Photography degree. These rules pertain to images created by traditional photographic processes as well as those captured and/or manipulated electronically with a digital camera or scanner.

ELIGIBILITY

1. Entrant must have captured and created the original exposure.
2. Any entry that has been reproduced from an existing photograph, portrait, graphic or any other artwork produced by another person is a violation of the competition rules and will not be judged, accepted or displayed. If an entry, in the goodfaith opinion of the Photographic Exhibition Committee, violates copyright, trademark or any other applicable law, that entry shall be disqualified.
3. The entrant's name must not be visible on the entry.
4. A maximum of four entries may be submitted per entrant.
5. Competition entry must be completed using the PPA/District online entry system prior to the online entry deadline. On-site entry is not possible, but print cases may be hand delivered (subject to District Rules) if the online entry was completed.
6. No entry will be eligible if it has been made under the supervision of an instructor or as a class assignment.
7. No two entries may be of the same subject.
8. Entries previously merited at any PPA International Competition are not eligible, including any image from a merited album.
9. Entries bearing the PPA Affiliated Exhibition Seal of Approval and submitted according to the rules of entry by makers from within their assigned District will be automatically accepted for exhibition only when submitted to the next PPA International Photographic Competition immediately following the District competition where awarded. (Out of District entries are not eligible for the Seal of Approval.)
10. Entry media includes prints, digital submissions, physical albums and digital albums.
11. If an image is awarded an exhibition merit in any category of PPA competition, it may not be entered again in any other category at any time by any entrant. No image that receives a merit may be entered more than once under any condition.
