Affiliate School Handbook

PPA Affiliate School Handbook

Logo:

The Affiliate School logo should appear on all advertising material distributed by your school. A copy can be downloaded from PPA.com or on the Loop's Affiliate School Leaders Community homepage.

<https://www.ppa.com/about/ppa-affiliates>

Code of Conduct:

Instructors, students, staff and volunteers are expected to follow the Code of Conduct of PPA Affiliate Schools. Please refer to page 3.

PPA Membership Promotion:

Promoting PPA membership should be included in each Affiliate School session. This includes using PPA marketing materials which can be requested at PPA.com/request or by emailing affiliates@ppa.com.

Booth Space at Imaging USA:

Complimentary booth space is provided at Imaging USA for use by the Affiliated School Network (this is a value of over \$5,000). Affiliate Schools are asked to bring advertising material to handout at the tradeshow booth, images to be on display depicting activities at the school and to have at least one volunteer represent their school during the tradeshow hours.

Calendar of Events:

Schools will have the option to display their dates in *Professional Photographer* magazine and on the PPA.com website. Please include your upcoming school dates on the return form in this renewal package. This will ensure you will be listed in both locations.

Mailing Labels:

One of the benefits of being a PPA Affiliate School is the ability to access the PPA member list. This list can help increase your event attendance or share important information with photographers in your area.

Because PPA members value their privacy (and to help you comply with changing federal and state regulations, especially regarding e-mail), PPA provides this address information through a list management company.

Purchasing a PPA Member List:

The cost for a PPA member physical address mailing list is \$15 per thousand names, plus a \$25 fee to send you the file for mailing. The PPA member e-mail list is \$25 per thousand names plus a \$60 e-mail transmission fee. If less than a thousand names are generated for your mailing, a flat fee of \$100 is charged. The payment is made directly to the list management company, not to, or through, PPA.

In addition, please be aware of the following:

- A PPA mailing or e-mail list may be used once, unless multiple uses are discussed when the initial request is made. There may be additional charges for multiple uses.
- PPA has the discretion to decline or modify a request.
- A list may not be shared, given, or sold to any third party in whole or in part.
- PPA mailing and -email lists are for affiliate use only, not for personal use by an affiliate member for any reason.
- Blast e-mails are done by the list management company.

To request a PPA mailing or e-mail list, e-mail affiliates@ppa.com.

New Member Lists

As an affiliated school you have immediate access to new PPA members. This list is updated quarterly and provided in an excel format. Download the New Member Reports .zip file, available online at PPA.com>Affiliate Resources.

PPA Merits:

PPA merits are mailed to the school for all PPA members that attend. A list of all students, including their contact information and PPA number (if applicable) should be submitted to merits@ppa.com approximately 2 weeks prior to your school session. All students attending 4 full days of education (minimum of 26 hours) will receive 2 service merits.

Recruitment Program:

The Affiliate School Member Recruitment program is set up to reward you for each *new* Professional Active Member and Aspiring Member that the school signs up while in session. The forms are included in this packet and should be returned with the application and payment to:

Professional Photographers of America
Attn: Membership
229 Peachtree Street, NE
Suite 2300
Atlanta, GA 30303

A check for \$50 per Professional Active member and \$25 per Aspiring member will be sent to the school from PPA at the beginning of each year after renewal is complete.

Scholarship Program

The PPA school scholarship program was created to help new photographers get needed education and to support PPA affiliated schools bring quality education to more photographers. Please refer to page 7 for more information about the recipient criteria and page 8 for a copy of the scholarship application.

IMPORTANT REMINDER:

Once a completed renewal package has been received, your school date (if provided) will be added to PPA.com and to the Affiliate School page in *Professional Photographer* magazine. Please keep in mind that the magazine is produced several months in advance. In order to make the January issue, your renewal must be complete by November 1. The February issue deadline is December 1.
