ABOUT THIS STUDY PHOTOGRAPHERS' APPROACH TO THE DISASTER RELIEF ASSISTANCE PROGRAMS

Following the release of new COVID-19 disaster relief programs, PPA conducted a quick survey to understand how photographers are approaching and applying for the federal aid.

These survey results will allow us to provide new and better ways to assist the photographic community at large and PPA members in particular.

PPA stands with you. We're in this together!

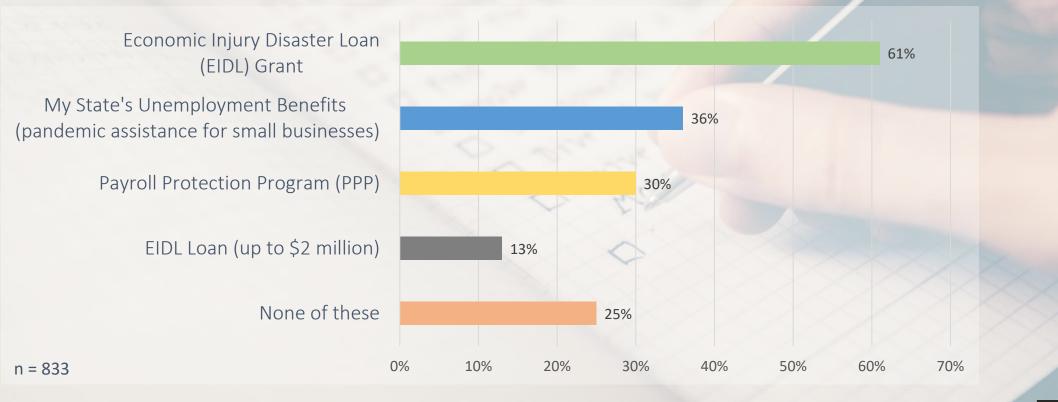

Respondents:	Responses
PPA members	73%
Small business owner	84%
Photographers	93%

- Study fielded: 4/13 4/15 2020
- Total respondents: 834
- Respondents were both PPA members and non-members
