Coverage is provided by AIX Specialty ("AIX"), a Hanover Insurance company. Coverage may not be available in all states and is subject to actual policy terms and conditions. AIX is an excess/surplus lines insurer which is not licensed by or subject to the supervision of the insurance department of your state of residence. Policy coverage forms and rates are not subject to regulation by the insurance department of your state of residence. Excess/surplus lines insurers do not generally participate in state guaranty funds and therefore insureds are not protected by such funds in the event of the insurer's insolvency.

PPA Insurance Solutions is administered by Lockton Affinity, LLC d/b/a Lockton Affinity Insurance Brokers, LLC in California License #0795478. Policy benefits are the sole obligation of the issuing insurance company. Lockton Affinity is not an agent of AIX because surplus lines insurers are not permitted to appoint insurance producers.
