# Technical Image Evaluation: Blick Art Materials Supply List

The CPP Certification is a three-part process; you've declared your candidacy, passed the exam and are now ready to submit images for your Technical Image Evaluation. The evaluation requires candidates to purchase materials from Blick Art Supply. Please review submission dates and deadlines in order to place orders and allow time for shipments to arrive.

**PACKAGE CONTENTS**

Your kit will include 5 Items:

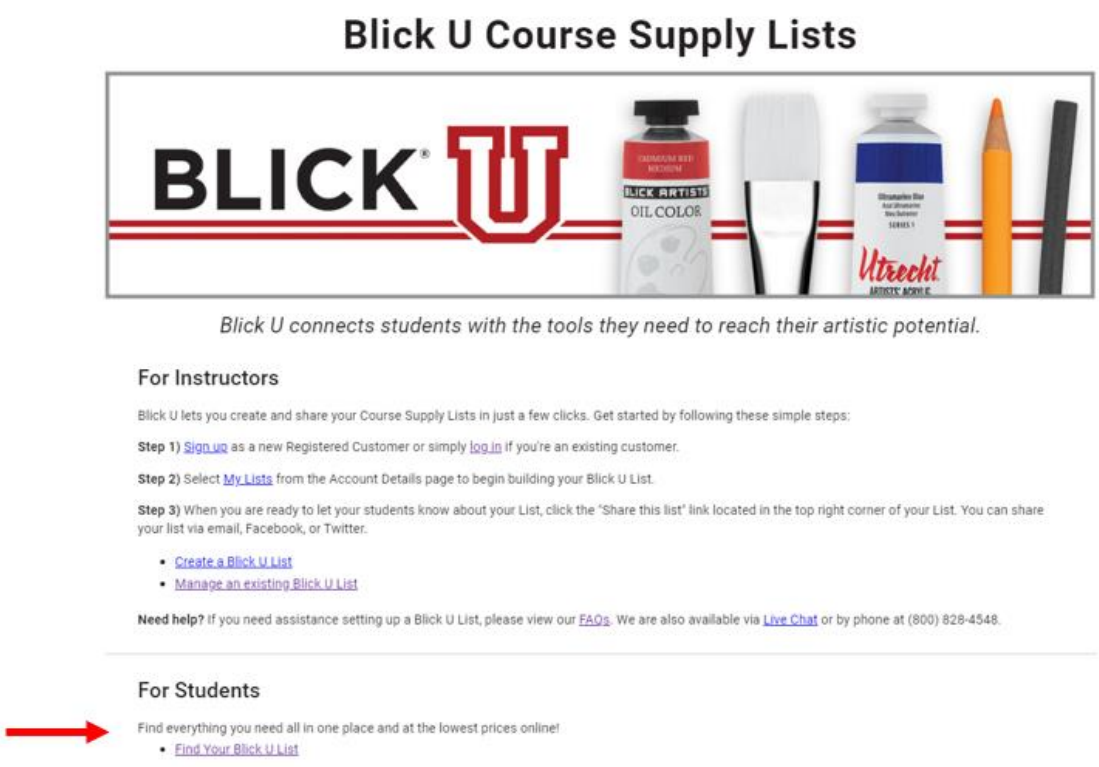

1. A 12" Hardwood Manikin
2. Two 4" Styrofoam Balls (you will only need one for your evaluation)
3. One Crayola regular Crayon Set of 8
4. One Black Sharpie Marker
5. 3 Sheets of Flannel Gray drawing Paper

- Please note you may only use items ordered from Blick Art Materials list for your evaluation. This helps to ensure that all evaluations are submitted with the exact same items and evaluated objectively.
- Please allow 5-10 business days for shipping and check the Technical Image Evaluation schedule and deadlines.
- At times kit items can go out of stock. If this happens approved alternative items will be added to the kit. You may view the alternative item list at the end of this guide. If you see an item showing as out of stock, please notify cppmailbox@ppa.com.

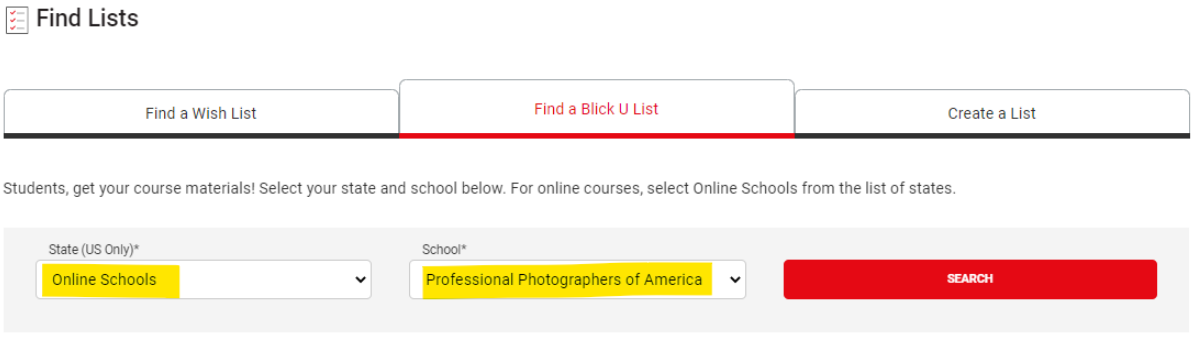

**How to order your Technical Image Evaluation Blick Art Marterials Supply List**
